

## **ABOUT US ...**

**W**ith the vision of imparting quality education to the students of the rural area and making them self reliant, this institution has been established in 1983 at the august hands of Her Excellency Smt. Pratibhatai Patil and Dr. Devisinghji Shekhawat, the founders of the premiere Education Society of Central India the “Vidya Bharati Education Society, Amravati”. Started from a scratch the college has been now developed into an institute of ‘Continuing Education’ viz. from *degree to Ph.D.* Initially the college was imparting education in science but has with time added new degree courses like B.A., B.Com., PG courses like M.Sc. (Zoology) and M.Com also facility of research in Zoology, Botany and Chemistry. Recently to cater with the growing demands of students the college has introduced M.Sc. (Computer Science), M.A. (Political Science). In order to make students self reliant, the college has added seven UGC sponsored ‘Career Oriented Courses’. The college strives to provide all facilities to the students and in pursuance of this, has erected a magnificent building and infrastructure to cope with modern times. The college, after inclusion in 2(f) and 12B of UGC, has not left any stone unturned in implementing all the student welfare schemes sponsored by UGC viz. Remedial coaching classes, coaching for

entry in services, coaching for NET/SET, Equal opportunity centre, student stipend scheme, financial assistance for excursion tours for unprivileged students etc. In order to provide access of Internet resource to students the college has established a “Network Resource Centre” where students can download information free of cost. The college in its efforts to pursue excellence in academics field, has organized National, State level Conferences, Symposia and Workshops. In order to provide a common platform to the students the college has also organized several intercollegiate competitions. The college authorities always support and motivate faculty members in achieving excellence in the field of education and are given facilities to accomplish the same. The college, as a mark of its dedication in imparting quality education, was awarded “College with Potential for Excellence” status by UGC in 2006. The college is situated in the rural area and receives student feeding from rural area. The students are from economically weaker section & especially the wards of peasants. They need motivation and financial support, the college sympathetically considers their needs like providing concessions in fees, giving free hand in paying fees in installments etc.
