#### 2. Student profile – entry level competencies, socioeconomic status, language proficiency etc.,

As per norms of Sant Gadge Baba Amravati University, the students are admitted to the course. All the students are treated equal regardless of their socio-economical status. The students who have passed B.Com. eligible to join this programme. The students are proficient in marathi language.

#### 3. Changes made in the courses or programmes during the past two years and the contribution of the faculty to those changes.

The S.G.B. Amravati University has revised the syllabi of M.Com. The opinions of the college faculty were sought by the members of the syllabi revision committee and this way the faculty has contributed to the revision of the syllabi.

#### 4. Trends in the success and drop out rates of students during the past two years.

Our faculty indeed, is delighted observing the spectacular success of our students in the examination and we hope it will be subsequently in their career, since our first batch of M.Com. passed out with 100% result with distinction in subjects by students. The morale of our students on higher side and they believe that the passing the examination with good % of marks with aim to boost up the image of our college by enrolling the name in the merit list.

**5. Learning resources of the departments - library, computers, laboratories and other resources.**

Our college has good setup of the library with ample titles in multiple copies of the books, computer laboratory with internet facility is also available for the faculty. Apart from this one more separate laboratory is being set up for the faculty as well as students. The drop out rate of our students is quite low %.

**6. Modern teaching methods practiced and use of ICT in teaching – learning.**

Modern facilities of teaching-learning are available for students particularly in information communication, we also use LCD projector for the development of the knowledge of the students. Other activities like power point presentation seminars are executed by the student. The use of computer of course is must for our students and essential part of the curriculum. Our management is playing very imminent role in providing latest facilities.

**7. Participation of teachers in academic and personal counseling of students.**

In the realm of higher education, we believe in giving systematic knowledge and information to our students. It will be attended by good teaching level as well as training through theory and practical to know and learn hard reality of the concepts and principles. Apart from this our faculty is providing guidance for their dissertations, project reports through analytical and classificatory approach.

Many times parents of our students approached us for career guidance and our faculty always endeavor to provide timely and relevant guidance to them.

**8. Details of faculty development programmes and teachers who have been benefited during the past two years.**

Our faculty is always taken interest in attending seminars, workshops in different level of parameters and also taking training in advance computer course in different recognized institutions in order to update their knowledge.

**9. Participation / contribution of teachers to the academic activities including teaching , consultancy and research.**

**12. Placement record of the past students and the contribution of the department to aid student placements.**

Our college has recently started the course of post graduation in commerce and our first batch has passed out in Apr. 2011 and they are struggling for career development under guidance cell of our college.

We are also trying to develop “Career Development Cell” at our college to guide the young youth for their further developments. We are also trying our level just for the campus interview for M.Com students with contacting well known companies.

**13. Plan of action of the department for the next five years.**

Whenever we think about the “Projections” for five years, we plan to develop the infrastructure like advanced laboratory for post graduate courses along with the research facility at our college.

Boosting up the youth in the rural areas to develop their knowledge and career in commerce and give support to our National economy. We have also a plan to start some certificate courses on :

- Marketing concepts
- Banking & Insurance
- Sales & advertisement
