■ Vidya Bharati Shaikshanik Mandal, Amravati

The Educational Society was established in 1969 with Dr. Devisinghji Shekhawat as the Founder President. He has been the former MLA, the first Mayor of Amravati and also the first Principal of Vidya Bharati Mahavidyalaya. Her Excellency, Smt. Pratibhatai Devisinghji Patil, the Former President of India was the President of the Educational Society. Mr. R. D. Shekhawat, former MLA, is now the President of the Society which runs 21 educational institutions including colleges and schools in the state of Maharashtra. Vidya Bharati Mahavidyalaya is the flagship institution among them. The Society was honoured with the State Government Award in 2001 in appreciation of exemplary contributions in the field of education and social services.

■ Vidya Bharati Mahavidyalaya, Amravati :

Vidya Bharati Mahavidyalaya, Amravati, established in 1972, is a premier institution in the Vidarbha region of Eastern Maharashtra, India. It is a multifaculty educational centre located in the elite residential area of Camp, Amravati. The institution, affiliated to Sant Gadge Baba Amravati University, Amravati, has been Re-accredited with 'A' Grade by NAAC with CGPA (3.26), Bangalore and with College with Potential for Excellence (CPE) Status by the University Grants Commission, New Delhi thrice. The academic spectrum provided by the college spans from Junior College, undergraduate programmes in Arts, Commerce, Science, Management, Library Science and Cosmetic Technology, PG and Doctoral Research Programmes in most of the subjects. The institute has excellent infrastructure, quality staff and every facility conducive for generating the best academic ambience in this region.

Concept of the Conference :

Research is an essential and prodigious reason to boost the development of a country. The recent scientific studies have emphasized the role and concomitant nature of basic and applied sciences. Pure and interdisciplinary research work has always fascinated people to develop and test novel thoughts & ideas to achieve an understanding of nature by unraveling its secrets, crossing the traditional subject boundaries. The consequent multifaceted developments and finding have resulted visible changes in all parts of the life, thereby highlighting the importance of 'RESEARCH'.

This national conference is aimed at providing a unique opportunity to novice and experienced supervisors, PhD aspirants, registered PhD scholars and P.G. students of various courses to clarify various dimensions associated with the interdisciplinary and pure research in basic and applied sciences.
