## **Purpose of MOU :**

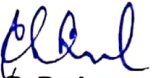

The beginning of literature field has started from poetic literature, but to write or compose in this field is very difficult. The students do not know kinds, characteristics and importance of poetry. Students should know how to write in their regional language and how to use poetry for wellbeing of society. They, even, should be given chance to compose poetic literature. MOU can perform this and so we have to work out in this regard.

## **Collaboration:-**

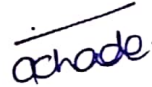

S.S.S.K.R. Innani Mahavidyalaya, Karanja Lad and Ichukata Pratishthan Karanja Lad have mutually agreed to collaborate with each other in implementing social activity based programmes to promote awareness among citizens for social welfare.
